Soviet View Of Disarmament

Aleksei Georgievich Arbatov

Soviet View Of Disarmament:

The Soviet View of Disarmament P.H. Vigor,1986-06-18 **Perceived Images** Daniel Frei,1986 Current thinking on arms control and disarmament has been dominated by the analysis of such objective factors as the number of weapons their characteristics technological developments and nuclear weapons deployment policies Yet arms control negotiations have had little success so far In this volume Daniel Frei asserts that while such objective analysis is indeed indispensable it needs to be supplemented by a careful document based description of Soviet and U S perceptions of one another and of the kind of assumptions that have thus far compelled their leaders to seek security in growing numbers of sophisticated weapons at ever increasing cost *The Soviet View of Disarmament* Peter Hast Vigor,1986 *Lethal Frontiers* Alekseï Georgievich Arbatov,1988-10-24 *Lethal Frontiers* is one of the first samples of Soviet scholarship on nuclear strategy readily available to Western readers A rising star in the Soviet foreign policy establishment Arbatov offers a remarkable view of the evaluation of U S nuclear policy and strategy This scholarly book is free of the ideological constraints and negative effects of excessive Soviet secrecy so often characterizing Soviet works on this subject The author begins by tracing the buildup of U S nuclear and conventional forces during the Kennedy and Johnson administrations and examines initial U S reactions to the achievement of strategic nuclear parity by the Soviet Union in the late 1960s and early 1970s From notions of flexible response to the Schlesinger doctrine and ideas of fighting a limited nuclear war Arbatov argues that the U S national security establishment has had enormous difficulty in reconciling itself with Soviet strategic parity Consequently U S strategy and arms programs have invariably collided with and contradicted the arms control process and efforts to decrease U S Soviet tensions In light of this and of the new Soviet approach to security Arbatov observes the challenges lying ahead in the new era of Soviet American relations Soviet Russia: Strategic Survey United States. Department of the Army,1963 *Soviet Nuclear Weapons Policy* William C. Green,2019-07-11 This research guide is intended primarily for two groups of specialists The first consists of Sovietologists interested in acquiring a more complete knowledge of Soviet strategic and military policy The second includes strategic analysts interested in expanding their expertise to cover Soviet strategy and thinking However it was assembled so as to be useful as well for non specialists interested in investigating Soviet nuclear weapons policy

CIA Cold War Records, Selected Estimates on The Soviet Union, 1950-1959 ,2000 **Selected Estimates on the Soviet Union, 1950-1959** ,1993 Contains estimates of the 1950s which portray the Soviet Union as aggressive but unwilling to take foolish risks The question became to determine what risks the Soviet Union would be willing to take in any given circumstance **USSR: Strategic Survey** United States. Department of the Army,1969 The Vienna Summit and Its Importance in International History Günter Bischof,Stefan Karner,Barbara Stelzl-Marx,2013-12-19 At the beginning of June 1961 the tensions of the Cold War were supposed to abate as both sides sought a resolution The two most important men in the world John F Kennedy and Nikita Khrushchev met for a summit in Vienna Yet the high hopes were disappointed

Within months the Cold War had become very hot Khrushchev built the Berlin Wall and a year later he sent missiles to Cuba to threaten the United States directly Despite the fact that the Vienna Summit yielded barely any tangible results it did lead to some very important developments The superpowers came to see for the first time that there was only one way to escape from the atomic hell of their respective arsenals dialogue The peace through fear and the hotline between Washington and Moscow prevented an atomic confrontation Austria successfully demonstrated its new role as neutral state and host when Vienna became a meeting place in the Cold War In The Vienna Summit and Its Importance in International History international experts use new Russian and Western sources to analyze what really happened during this critical time and why the parties had a close shave with catastrophe

Reviewing **Soviet View Of Disarmament**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Soviet View Of Disarmament**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
