Spaces And Places:

Spaces and Places in Motion Nicole Schröder, 2006 Spaces and Places for Art Anne Whitelaw, 2017-04-01 A pioneering study of art museums in western Canada and their relationship to federal cultural institutions **Spaces and Places in Western India** Bina Sengar, Laurie Hovell McMillin, 2019-09-05 This book studies places and spaces in Western India both as geographical locations and as imagined constructs It uncovers the rich history of the region from the perspective of places of pilgrimage commerce community expression and indigeneity The volume examines how spaces are intrinsically connected to the lived experiences of people It explores how spaces in Western India have been constructed over time and how these are reflected in both historical and contemporary settings in the art architecture political movements and in identity formation The rich examples explored in this volume include sites of Bhakti and Sufi literature Maharashtrian Sikh identity Mahanubhav pilgrimage monetary practices of the Peshwas and the internet as an emancipatory space for the Dalit youth in Maharashtra The chapters in this book establish and affirm the forever evolving cultural topography of Western India Taking a multidimensional approach this book widens the scope of academic discussions on the theme of space and place It will be useful for scholars and researchers of history cultural studies geography the humanities city studies and sociology Mapping LGBTQ Spaces and Places Marianne Blidon, Stanley D. Brunn, 2022-07-11 This book addresses LGBTQ issues in relation to among others law and policy mobility and migration children and family social well being and identity visible and invisible landscapes teaching and instruction parades arts and cartography and mapping A variety of research methods are used to explore identities communities networks and landscapes all which can be used in subsequent research and classroom instruction and disciplinary and interdisciplinary levels This extensive book stimulates future pioneering research ventures in rural and urban settings about existing and proposed LGBTQ policies individual and group mapping visible and invisible spaces and the construction of public and private spaces Through the methodologies and rich bibliographies this book provides a rich source for future comparative research of scholars working in social work NGOs and public policy and community networking and development Re-Imagining Spaces and Places Stefano Rozzoni, Beitske Boonstra, Teresa Cutler-Broyles, 2022-03-29 The contributors in this edited collection scrutinize the changing dynamics of space and place in relation to current political social and environmental urgencies across the globe The discussions provide a cohesive study for disclosing latent understandings of multiple phenomena characterizing the world in which we live

Leadership in Spaces and Places Arja Ropo, Perttu Salovaara, Erika Sauer, Donatella De Paoli, 2015-06-29 By combining new research on leadership and workspaces Leadership in Spaces and Places argues for a radical reconceptualization of leadership They argue leadership is not only about leaders themselves but is also affected by the built environment **The Spaces and Places of Horror** Francesco Pascuzzi, Sandra Waters, 2020-01-16 This volume explores the complex horizon of landscapes in horror film culture to better understand the use that the genre makes of settings locations spaces and places

be they physical imagined or altogether imaginary In *The Philosophy of Horror* No 1 Carroll discusses the geography of horror as often situating the filmic genre in liminal spaces as a means to displace the narrative away from commonly accepted social structures this use of space is meant to trigger the audience's innate fear of the unknown This notion recalls Freud's theorization of the uncanny as it is centered on recognizable locations outside of the Lacanian symbolic order In some instances a location may act as one of the describing characteristics of evil itself In *A Nightmare on Elm Street* teenagers fall asleep only to be dragged from their bedrooms into Freddy Krueger's labyrinthine lair an inescapable boiler room that enhances Freddie's powers and makes him invincible In other scenarios the action may take place in a distant little known country to isolate characters Roth's *Hostel* films or as a way to mythicize the very origin of evil Bava's *Black Sunday* Finally anxieties related to the encroaching presence of technology in our lives may give rise to postmodern narratives of loneliness and disconnect at the crossing between virtual and real places in Kurosawa's *Pulse* the internet acts as a gateway between the living and spirit worlds creating an oneiric realm where the living vanish and ghosts move to replace them This suggestive topic begs to be further investigated this volume represents a crucial addition to the scholarship on horror film culture by adopting a transnational comparative approach to the analysis of formal and narrative concerns specific to the genre by considering some of the most popular titles in horror film culture alongside lesser known works for which this anthology represents the first piece of relevant scholarship

Disability, Spaces and Places of Policy Exclusion Karen Soldatic, Hannah Morgan, Alan Roulstone, 2014-06-27 Geographies of disability have become a key research priority for many disability scholars and geographers This edited collection incorporating the work of leading international disability researchers seeks to expand the current geographical frame operating within the realm of disability Providing a critical and comprehensive examination of disability and spatial processes of exclusion and inclusion for disabled people the book uniquely brings together insights from disability studies spatial geographies and social policy with the purpose of exploring how spatial factors shape limit or enhance policy towards and the experiences of disabled people Divided into two parts the first section explores the key concepts to have emerged within the field of disability geographies and their relationship to new policy regimes New and emerging concepts within the field are critically explored for their significance in conceptually framing disability The second section provides an in depth examination of disabled people's experience of changing landscapes within the onset of emerging disability policy regimes It deals with how the various actors and stakeholders such as governments social care agencies families and disabled people traverse these landscapes under the new conditions laid out by changing policy regimes Crucially the chapters examine the lived meaning of changing spatial relations for disabled people Grounded in recent empirical research and with a global focus each of the chapters reveal how social policy domains are challenged or undermined by the spatial realities faced by disabled people and expands existing understandings of disability In turn the book supports readers to grasp future policy directions and processes that enable disabled people's

choices rights and participation This important work will be invaluable reading for students and researchers involved in disability geography and social policy **People, Spaces and Places in Gendered Environments** Vasilikie (Vicky) Demos, Marcia Texler Segal, 2024-06-03 Demonstrating how women and other marginalized groups respond to the limits and options imposed by the history and structure of spaces this volume envisions a world beyond colonial able bodied class and patriarchal limitations where freedom of movement functions for all **The Spaces and Places of Canadian Popular Culture** Victoria Kannen, Neil Shyminsky, 2019-08-28 An exclusively Canadian textbook this collection investigates the relationships between identity geography and popular culture that are produced and consumed in this sprawling country Expanding beyond the clichés of friendliness and snow this text provides a fresh perspective on what it means to be Canadian both nationally and transnationally Scholars look at historical subjects like Québécois identity and Indigenous self representation and explore issues in contemporary media including music film television comic books video games and social media From Drake to the Tragically Hip Trailer Park Boys to The Amazing Race Canada and poutine to maple syrup mainstream icons and trends are studied in the interdisciplinary context of race gender sexuality politics and patriotism Contributing to the location of Canadian popular culture this unique resource will engage students and scholars of communication studies cultural studies and Canadian studies FEATURES Includes key concepts and theories and a glossary Engages students with relatable historical and contemporary examples of Canadiana through a breadth of media including television shows websites journals celebrities newspapers literature comic books video games music and films Ensures equal representation of a national and transnational Canada which includes examples of race gender sexuality and ethnicity with particular attention to geographical intricacies that contain all provinces and territories
