Spaces In Between Collection Of Poems By Gil Saenz:

Spaces in Between Gil Saenz, 2002-12-26 *Spaces In Between* is a collection of poems which covers the span of poetry writing years of Gil Saenz all the way from the first published poems of 1985 to the present. The subjects cover such themes as love, romance, fantasy, dreams, beauty, nature, spirituality, philosophy, and notions about time. The style of the poems is varied and in this way one particular style never prevails too long. Some poems rhyme while others are unrhymed and still others are prose like in their style. You can agree, disagree, or just feel neutral but each poem captures the attention or stirs the imagination of the reader in one way or another. There is something to suit everyone's taste. Poetry lovers and aficionados will be delighted with this collection of poems for the sheer variety of themes and subjects. It is romantic, nostalgic, entertaining, and enlightening at different times and in different ways. The title *Spaces In Between* as may be seen in the title poem refers to all those idle moments that are spent by most of us as we wait somewhere for something. Sometimes we're waiting for a bus or waiting for a plane or waiting in the supermarket check out line or waiting in a doctor's office. To become aware that we have so much idle time to think, imagine, or wonder about things is one of the main ideas that Saenz is trying to put across. Thoughts, especially unconscious thoughts, whether good or bad, many times determine our behavior. The more we are aware of this, the more we can be less automatic and more selective about what we are thinking. A lot of the poems here involve experiences and incidents which are only a few moments or spaces in between.

Edge of a Fantasy and Other Poems Gil Saenz, 2018-09-27 In this latest compilation of poetry from Saenz, fifty poems about love, hope, peace, nature, and meditation are collected for the reader's enjoyment. Each of these poems is printed in a side-by-side nature with the original English on the left and a Spanish version translated by both the author and his brother who holds a doctorate in foreign language education to ensure that the meaning and detail intended is not lost in translation. The overall themes of this collection are tranquil and reflective even with titles like *Vagabonds* and *Human Struggles*. Finding beauty in every moment and circumstance, Saenz captures these moments of peace and frames them in contemplative thought to share with the reader. US Review of Books. As a whole, this poetic collection comprises a vast variety of inner reflections, both lucid in expression and stimulating in depiction. Stocked with one hundred poems, what is especially engaging about this work is that it is presented in a bilingual format which smartly allows it to reach and entertain a far vaster readership. Each poetic composition appears firstly as the English version and then the Spanish version follows consecutively, however, no matter which language the poems appear in, they still resonate artfully with a soulful authenticity. Pacific Book Review. **Edge of a Fantasy and Other Poems** is a book of approximately fifty poems written in English and Spanish side by side in a bilingual format.

Spaces in Between (Second Edition).
