Ballyhoo Hastings Hensel, 2019-04-02 A poetry collection that grapples with the tragicomic nature of language memory love work and the performative self Though at times whimsical and witty the poems in Hastings Hensel's *Ballyhoo* inhabit the world beyond and between the punchline In tightly controlled meditations on language's limits and its necessity as well as on the many forms that humor takes comedy laughter farce clowning parody and more Hensel navigates fine lines between joy and sadness jokes and cruelty reality and illusion and irony and sincerity Universal in scope the 47 poems in *Ballyhoo* are richly idiomatic and evocative They are also frequently grounded in the southern Atlantic coast with its particular ecology characters history and myth The pleasure in reading these poems comes from the original connections Hensel makes between the literary and the gritty an elegy set in a bait shop *Twelfth Night's Feste* delivering a monologue in a bar a villanelle about a murder on a cruise ship These intelligent insightful poems remind us of the frail but important relationships between comedy memory and identity *Ballyhoo* offers a sobering examination of the tragicomic nature of the world *In Time and Place* John Hollander, 1986-10-01 In this major new collection John Hollander displays the elegance versatility and wit that mark him as perhaps the most urbane poet in America *In Time and Place* features a generous offering of new verse

an extended prose piece and a series of prose poems previously available only in a rare privately published edition The tightly rhymed quatrains of the new poems demonstrate once again the freedom Hollander achieves through mastery of form The consummate control with which he writes in memoriam to a lost love and a time of absence gives him opportunities to move through dimensions most poets never see His purgatorial mock journal dwelling on loss and gain on difference and effacement on places and the place of writing leads into a sequence of captivating prose poems where imagination centers on the word and language celebrates its own creation
