Essential Spanish Grammar: Teach Yourself Juan Kattan-Ibarra, 2012-02-10 Is this the right course for me Essential Spanish Grammar will help you get more out of your study of Spanish Essential Spanish Grammar is an up to date introduction to Spanish grammar You don't need to know a lot about grammar before you start Everything is explained simply and there are lots of examples to illustrate each point Unlike more traditional grammars Essential Spanish Grammar is structured so that you can look up language forms according to what you

want to say even if you don't know the grammatical term for them. If you already know some grammar then you can use the reference grammar section at the back of the book to look up the points you need. The course consists of 23 units illustrating the various uses to which the language can be put for example giving instructions or talking about the recent past. The more traditional reference grammar deals with grammatical structures such as the imperative or the perfect tense. All grammatical terms are explained in the glossary at the back of the book. Each unit contains exercises for you to practise what you have learnt and there is a key at the back of the book for you to check your answers. The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly. This edition contains a taking it further section which will direct you to further sources of real Spanish. Essential Spanish Grammar will help you to understand and manipulate Spanish grammar with confidence because you need no prior knowledge of grammatical terminology to use it: the approach is accessible and supportive, the examples are clear and in context, exercises help you practise every point. Learn effortlessly with a new easy to follow page design and interactive features. Not got much time? One five and ten minute introductions to key principles to get you started. Author insights. Lots of instant help with common problems and quick tips for success based on the author's many years of experience. Useful vocabulary. Easy to find and learn to build a solid foundation for speaking. End of unit summaries and online tests. Summaries and tests to help you keep track of your progress. Extend your knowledge. Extra online articles to give you a richer understanding of the culture and history of Spain.

Creative Production: A Functional Fluency Guide for Language-Learning App Users, Spanish Edition Vol. I and II S. Ziva Sheppard, 2018-01-15 Creative Production is a workbook guide designed to help users of language learning apps reach their foreign language fluency goals Using a foreign language learning app is a great way to introduce yourself to a language and learn its basic grammar but many people may find that even after all the practice points levels and high rankings that they still do not have a functional mastery of the language Being functionally fluent in a language is more than drills translation and grammar It is communicating your thoughts and understanding the speech and writing of others It requires flexibility and practicing self expression Here you will do just that use the grammar and vocabulary learned in your language learning app to produce in the target language your own unique thoughts and descriptions about your life beliefs and world Functional fluency is the ultimate goal of most foreign language students Creative Production is the guide to reaching that ultimate goal

Language Hacking Spanish Benny Lewis, 2017-03-28 It's true that some people spend years studying Spanish before they finally get around to speaking the language But here's a better idea Skip the years of study and jump right to the speaking part Sound crazy No it's language hacking Unlike most traditional language courses that try to teach you the rules of Spanish LanguageHacking shows you how to learn and speak Italian through proven memory techniques unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners Benny Lewis aka the Irish Polyglot Using the language hacks shortcuts that make learning simple that Benny mastered while learning his 11 languages and his speak from the start method you will crack the language code and exponentially increase your language abilities so that you can get fluent faster It's not magic It's not a language gene It's not something only other people can do It's about being smart with how you learn learning what's indispensable skipping what's not and using what you've learned to have real conversations in Spanish from day one The Method LanguageHacking takes a modern approach to language learning blending the power of online social collaboration with traditional methods It focuses on the conversations that learners need to master right away rather than presenting language in order of difficulty like most courses This means that you can have conversations immediately not after years of study Each of the 10 units culminates with a speaking mission that prepares you to use the language you've learned to talk about yourself Through the language hacker online learner community you can share your personalized speaking missions with other learners getting and giving feedback and extending your learning beyond the pages of the book You don't need to go abroad to learn a language any more
