Stumbling Heavenward:

Men's Secret Wars Patrick A. Means, 2006-08 Now repackaged and updated this ground breaking book talks honestly about the real issues facing Christian men including stress unhealthy relationships and temptation **Stepping Heavenward** Elizabeth Prentiss, 1894 **Jump into the Story** Ray R. Friesen, 2019-02-27 Preaching is a challenging privileged and awesome responsibility As important as mining the text for its meaning and message and making connections to our twenty first century world is the responsibility to engage the imaginations of the people in the pews or chairs In this book Ray Friesen life long preacher and retired pastor has provided twenty examples of how to be creative and engage those imaginations Most were written under the pressures of bi vocational ministry preaching forty times a year as half time pastor and operating a mediation practice They are offered to you not as sermons for you to preach but as examples of what is possible even with all the other responsibilities you may have Each sermon and type of creativity will create an opportunity to set your imagination and creativity free to engage the imaginations hearts and dreams of your parishioners *Choosing to Preach* Kenton C. Anderson, 2009-05-26 Today traditional forms of preaching are being scrutinized and challenged The biblical sermon is not immune to the pressure to evolve or even fall by the wayside leaving pastors and seminary students confused over how best to communicate to today s listeners In this forward looking textbook Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons despite the obstacles to doing so While preaching itself is non negotiable the exact form it takes can be much more flexible allowing people to hear from God as they hear his Word preached Rather than presenting one model or process for preparing a sermon Anderson explains several available options As you discern your message from the Bible will you begin with the text deductive or with the listener inductive Will you focus on the idea cognitive or the image affective The choices you make lead to five possible sermon structures DECLARATIVE make an argument PRAGMATIC solve a mystery NARRATIVE tell a story VISIONARY paint a picture INTEGRATIVE sing a song Each model is described in detail and related to well known contemporary preachers including John MacArthur Rick Warren Eugene Lowry and Rob Bell This book equips you with a variety of tools for your preaching tool kit A CD ROM with additional helpful resources is included as well as discussion questions and practical exercises **The Genesis Café** Robby McAlpine, 2024-02-15 What did Jesus mean when he said the Kingdom is near The Younger and Elder together with author Robby McAlpine set out to explore what Kingdom Come meant to Jesus and his first disciples Drawing on the four Gospels and the book of Acts as well the writings of George Eldon Ladd their animated conversations and run ins with the crusty Irish Barkeep the shrewd but wary Proprietress and the Genesis Caf s irrepressibly artistic Barista make for a thought provoking and spiritually invigorating journey of discovery Join us at the Genesis Caf for lattes laughter and Kingdom conversations A warm welcome awaits you The characters conversations are understandable entertaining and full of witty discipleship examples The Genesis Caf is quite frankly a work of art Few books can unpack such

deep theological concepts in such readable and practical ways Luke Geraty Lead Pastor Red Bluff Vineyard CA To Be Perfectly Honest Phil Callaway,2011-05-03 Would I Lie to You Not This Year Veteran author and speaker Phil Callaway is no stranger to daunting challenges He has been laughed at repeatedly by large crowds of people from Halifax to Hong Kong He fathered three children in three years spent much of last year on airplanes built by the lowest bidder and flipped an out of control ATV which doesn't mean he sold it for a profit So who better than Phil Callaway to boldly accept a challenge that would make the average person run and hide Phil promised to tell the truth for an entire year and he wasn't joking Twelve months later his journal was crammed with successes near successes and outright failures During his year long experiment with veracity he made a disastrous financial investment fielded hundreds of intrusive questions from friends and strangers attended a thirty year class reunion and waded into possibly the most revealing and hilarious situations he has ever documented Find out what happens when a follower of Jesus does his level best to always tell the truth There is no doubt you'll be entertained But don't be surprised if you are left with a question how might your life be changed if you sold out to the truth with no exceptions *Healthy Christian Minds* Elmer John Thiessen,2024-09-19 We live in polarizing times In this book Elmer Thiessen dares to suggest that the solution to the deep divides in our contemporary world and in the church is not to be found in more information more education more rationality or more critical thinking Instead we need to cultivate intellectual virtues such as the love of knowledge and truth intellectual humility and committed openness The penultimate chapter treats intellectual virtues that are more relational in nature intellectual forbearance fairmindedness and intellectual courage The book explores the biblical and theological grounding of each intellectual virtue and reveals its practical importance for our fractious times making use of concrete examples throughout Each of the central chapters begins with a questionnaire aimed at promoting self examination and stimulating reflection about the virtues and vices under consideration This is a book for the thoughtful Christian reader aimed at transforming the way we think **Family Squeeze** Phil Callaway,2010-05-19 You've been warned about middle age spread But no one told you about the squeeze You're in the Middle Ages sandwiched between the greatest generation and the gimme generations busily juggling both with no relief in sight Children are driving and parents are not Money is tight and so are your favorite jeans And things that never ached before are beginning to give you trouble For every baby boomer who wonders if it's possible to navigate the Middle Ages with grace and style Phil Callaway offers plenty of hope and a little hilarity too Because there's nothing like a smile to make wrinkles less noticeable The author of *Who Put My Life on Fast Forward* and *Laughing Matters* offers this lighthearted look at the challenges of the middle years and promises that while we can't slow down the aging process we can ease the worries it brings by focusing on what really matters most **Mennonites in Canada: 1939-1970 : a people transformed** Frank H. Epp,T. D. Regehr,1974-01-01 T D Regehr shows how the Second World War challenged the pacifist views of Mennonites and created a population more aware of events problems and opportunities for Christian service and personal advancement
