

Submarine Commander

Georg-Günther Freiherr von Forstner

A red circular graphic with a gradient, appearing as a stylized arrow or a light effect, positioned to the right of the name bar.

Submarine Commander:

Submarine Commander Paul R. Schratz, 2013-07-24 A fascinating personal memoir of underwater combat in World War II told by a man who played a major role in those dangerous operations Frank and beautifully written Submarine Commander s breezy style and irrepressible humor place it in a class by itself This book will be of lasting value as a submarine history by an expert and as an enduring military and political analysis In early 1943 the submarine USS Scorpion with Paul R Schratz as torpedo officer slipped into the shallow waters east of Tokyo laid a minefield and made successful torpedo attacks on merchant shipping Schratz participated in many more patrols in heavily mined Japanese waters as executive officer of the Sterlet and the Atule At war s end he participated in the Japanese surrender aided the release of American POWs and had a key role in the disarming of enemy suicide submarines He then took command of the revolutionary new Japanese submarine I 203 and returned it to Pearl Harbor But this was far from the end of Schratz s submarine career In 1949 he commissioned the ultramodern USS Pickerel the most deadly submarine then afloat and set a world s record in a 21 day 5 200 mile submerged passage from Hong Kong to Honolulu With the outbreak of the Korean War the Pickerel was immediately sent to Korea to participate in secret intelligence operations only recently declassified and never before revealed in print Schratz s broad military experience makes this a far from ordinary memoir

The Submarine Commander Pocket Manual

1939-1945 Chris McNab, 2018-12-11 Submarine commanders in WWII dealt with both enormous risk and responsibility charged with sinking enemy shipping while avoiding detection they had to correctly locate and identify enemy craft getting close enough to strike while attempting to safeguard the lives of their crew It was a deadly game the Germans lost over 600 U boats during the war and one in five submariners in the US Navy was killed the highest proportion of any of the services The Submarine Commander Pocket Manual gives a fascinating insight into life beneath the waves and what was required to operate a submarine from diving and surfacing to attack strategies and evading detection From training manuals to combat reports and firsthand accounts this volume has collated documents diagrams and photos from American British and German archives to demonstrate both the fascinating technical and tactical aspects of running a submarine and the calm nerves needed to outwit your opponent and live to fight another day in the war at sea

Midget Submarine Commander Paul Watkins, 2013-01-19 A biography of the twentieth century British Royal Navy officer and Victoria Cross recipient who fought below above and on the waves Of all the acts of gallantry in World War II few were as audacious as the attack by midget submarines on the pride of the German fleet the battleship Tirpitz lying in her heavily fortified lair deep in a Norwegian fjord Lieutenant Godfrey Place was in command of submarine X7 in September 1943 and travelled over 1 000 miles negotiating minefields and anti submarine nets to place four tons of high explosive accurately under the hull of the Tirpitz For this he was awarded the Victoria Cross in 1944 at the age of twenty two Taken prisoner he was repatriated to England at the end of the war and continued to serve in the Royal Navy for twenty five years flying with 801 squadron in the Korean War and

serving on aircraft carriers at Suez, Nigeria, and the withdrawal from Aden. On his retirement in 1970, he had the distinction of being the last serving naval officer to hold the Victoria Cross. This overdue biography details Godfrey Place VC's eventful life from a childhood spent partly in East Africa to being the hugely respected Chairman of the Victoria Cross and George Cross Association for over twenty years. Thanks to the author's extensive access to previously unpublished material, including Place's own recollections of the attack, there is unlikely to be a better or more thrilling account of the attack on the *Tirpitz*. *The Journal of Submarine Commander von Forstner* Georg-Günther Freiherr von Forstner, 2021-04-25

In *The Journal of Submarine Commander von Forstner*, Georg-Günther Freiherr von Forstner presents an intricate narrative that delves into the psychological and strategic intricacies of submarine warfare during World War II. This autobiographical account is marked by a vivid literary style combining stark realism with reflective prose that captures the tension and uncertainty faced by naval commanders. Von Forstner's unique perspective provides invaluable insights into the operational challenges and ethical dilemmas inherent in submarine engagements, making this work a significant contribution to both military history and literary discourse on war. Georg-Günther Freiherr von Forstner, having served as a U-boat commander, drew upon his extensive naval experience and personal reflections in crafting this journal. His background not only equipped him with firsthand knowledge of the oceanic theater of conflict but also fostered a profound sense of duty and introspection that permeates the text. Von Forstner navigated the complexities of honor, valor, and the harsh realities of warfare, striving to encapsulate his tumultuous experiences for future generations. I wholeheartedly recommend *The Journal of Submarine Commander von Forstner* to readers interested in military history, psychological narratives, and the moral challenges faced in combat. This work transcends a mere recounting of events, inviting readers to engage with the profound implications of warfare and the humanity that persists amid the chaos. *Emergency Deep* Alfred Scott McLaren, 2025-04-15

Emergency Deep conveys in dramatic detail the high-risk covert operations of a nuclear attack submarine during the zenith of the Cold War. Captain Alfred Scott McLaren served as commander of the USS *Queenfish* (SSN 651) from September 1969 to May 1973, the very height of the Cold War. As commander, McLaren led at least six major clandestine operations, including the first ever exploration of the entire Siberian Continental Shelf, a perilous voyage detailed in his previous book *Unknown Waters*. *Emergency Deep: Cold War Missions of a Submarine Commander* conveys the entire spectrum of Captain McLaren's experiences commanding the USS *Queenfish*, mainly in the waters of the Russian Far East and also off Vietnam. McLaren offers a riveting and deeply human story that illuminates the intensity and pressures of commanding a nuclear attack submarine in some of the most difficult circumstances imaginable. Relying on his own notes and records, as well as discussions with former officers and shipmates, McLaren focuses on operational matters, both great and small. He recounts his unique perspectives on attack submarine tactics and exploratory techniques in high-risk or uncharted areas, matters of leadership and team building, and the morale of his crews and the innumerable and often unforeseen ways his philosophy of

command played out on a day to day basis with consequences that ran the gamut from the mundane to the dire and life threatening Readers are also treated to significant new information and insight on submarine strategy maneuvers and culture Such details illuminate and bring to life with both great humor and gravitas the intensity and pressures on those engaged in covert missions on nuclear attack submarines *Submarine Commander* Paul R. Schratz,1990-02-01 Recounts war experiences and participation in the setting of a world s record for longest submerged voyage **The journal of submarine commander von Forstner, tr. by Mrs. Russell** Georg Gunther Forstner,1917 **The Journal of Submarine Commander Von Forstner** Georg-Günther Freiherr von Forstner,1917 *Submarine Commander* Benjamin Bryant,1958
 Papers Relating to the Foreign Relations of the United States United States. Department of State,1929

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, **Submarine Commander** . This immersive experience, available for download in a PDF format (Download in PDF: *), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!

Submarine Commander Introduction

In the digital age, access to information has become easier than ever before. The ability to download Submarine Commander has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Submarine Commander has opened up a world of possibilities. Downloading Submarine Commander provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Submarine Commander has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Submarine Commander. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Submarine Commander. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Submarine Commander, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Submarine Commander has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Submarine Commander Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Submarine Commander is one of the best book in our library for free trial. We provide copy of Submarine Commander in digital format, so the resources that you find are reliable.
