

SUBMERSIBLES AND UNDERSEA LABS OF THE WORLD

Michael Chester and Thomas Chester

The background of the book cover is a photograph of a submersible underwater. The submersible is a large, white, cylindrical vessel with a conical nose and various mechanical details visible. It is positioned horizontally in the center of the frame. The water is a deep, dark blue, and several small, silvery fish are visible swimming around the submersible. In the bottom left corner, there is a small white rectangular tag with the number '7' on it. A light-colored library label is also present in the bottom left area.
