Subtle Deception How False Teachers Betray Christianity While Enriching Themselves:

Subtle Deception Lawrence Vanyi, 2005-08 Modern misguided evangelical empire building at the institutional church level has systematically for the most part attempted to replace Christianity with its own brand of organized religion This subtle deception has taken more than 1 700 years to develop and permeate society and typical Christian thought but develop well it has So well in fact that even some of the greatest ministry personalities of our time have made the mistake of thinking that Christianity and organized religion are one and the same but they are not What s wrong with organized religion you say Did you suppose that s what Christianity was all about Did you suppose that its church building origins are biblical And what s the fuss anyway Does it really matter if the Lord s people are more organizationally or institutionally minded than they are relationally minded The author s opinion is that Purpose dictates the correct usage of what God designs If we want to correctly use something God has designed we must first discover God s original intent and purpose behind the creation of His idea This work deals with the financial skeletons in the Church s closet and goes behind the scenes for God s design for the Body of Christ known as the Church **Cincinnati Magazine** ,2001-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region New York Times Saturday Book Review Supplement ,1935-09 **New York Times Saturday Review of Books and Art** ,1935
