Maria dell'Uva, Massini Fulvio, 2021-09-01 Extreme race city festival global phenomenon the New York Marathon is much more than a never ending run On top of the 50 000 plus participants who actually run the race it s an event that involves millions of people when you include the thousands of volunteers the hundreds of thousands of supporters lining the streets of the metropolis par excellence and the global TV audience watching at home The Never Ending Run aims to give a 360 explanation and tell the story of one of the most famous marathons in the world starting with a mile by mile description of the race including first hand experiences On the back of the story of the race there follows a guide to New York specially dedicated to runners and all their shopping and tourism needs along with scores of interesting facts and stats The Never Ending Run recounts the history of the New York City Marathon provides intriguing insights and explains how to participate and properly prepare for the race all without overlooking essential tips and suggestions for enjoying life and your break in the Big Apple Part one The Race illustrates the history and route of the most famous race in the world including race strategies by coach Fulvio Massini as well as accounts from other famous athletes such as Peter Ciaccia Orlando Pizzolato Franca Fiacconi George Hirsch German Silva and Alex Zanardi Part two New York is given over to the needs of the runner in town for the race how to get around where to go shopping for running gear advice on what to do and not do in the days leading up to the race and the best places to watch the race for spectators Learning That Never Ends Margie Pearse, Mary Dunwoody, 2013-09-20 Creating lifelong learners is ideally what we as teachers desire for all students We understand the values and rewards that come from acquiring a thirst for knowledge Wanting children to see learning as a valuable tool is easy but knowing how to instill that love now that is a different story That story is presented here in easy to understand text and ideas to guide students through the concepts of lifelong learning Learning That Never Ends demystifies the concept of lifelong learning in a way that makes it easy and accessible for all This work literally levels the playing field for any and all students to find success in life Every idea every tool provided comes from fifteen years of research and experimentation across socioeconomic levels and subject areas from elementary to college in hundreds of classrooms With the ideas from this book you can empower all students with the qualities of a lifelong learner **Neverending Stories** R. Lyle Skains, 2022-12-29 Winner of the 2023 N Katherine Hayles Award for Criticism of Electronic Literature Digital fiction has long been perceived as an experimental niche of electronic literature Yet born digital narratives thrive in mainstream culture as communities of practice create and share digital fiction filling in the gaps between the media they are given and the stories they seek Neverending Stories explores the influences of literature and computing on digital fiction and how the practices and cultures of each have impacted who makes and plays digital fiction Popular creativity emerges from subordinated groups often excluded from producing cultural resources accepting the materials of capitalism and inverting them for their own carnivalesque uses Popular digital fiction goes by many different names webnovels adventure games visual novels Twitter fiction webcomics Twine games walking sims alternate reality games virtual reality films interactive

movies enhanced books transmedia universes and many more The book establishes digital fiction in a foundation of innovation tracing its emergence in various guises around the world It examines Infocom whose commercial success with interactive fiction crumbled in no small part because of its failure to consider women as creators or consumers It takes note of the brief flourish of commercial book apps and literary games It connects practices of cognitive and conceptual interactivity and textual multiplicity dating to the origins of the print novel to the feminine It pushes into the technological future of narrative in immersive and mixed realities It posits the transmedia franchises and the practices of fanfiction as examples of digital fiction that will continue indefinitely regardless of academic notice or approval

Life Never Ends Mario Mantese, 2024-05-22 Life moves like a rollercoaster up and down and all around and we are right in the middle of it Hopes expectations and disappointments are experienced and once in a while a few moments of happiness come along But like everything else they trickle away It wasn't always like that and it isn't like that really It just seems that way In Life Never Ends Mario Mantese counters these assumptions Based on heartening and emboldening experiences and realizations this Swiss wisdom teacher shows here that many things are completely different completely the opposite The rollercoaster moves only within the circuit of thoughts Mario Mantese reminds us that we can get off the ride at any time The thrills and fears experienced along those tracks are nothing compared to the true beauty of life He writes with a smile Nothing is riskier than daily life
