Successful Management:

Successful Management by Motivation Bruno S. Frey, Margit Osterloh, 2001-10-02 Motivated employees play a crucial role in creating a company's sustainable competitive advantage. Successful Management by Motivation shows that in a knowledge-based society this goal cannot be achieved by extrinsic motivation alone. Pay for performance often even hurts because it crowds out intrinsic motivation. To succeed, companies have to find ways of fostering and sustaining intrinsic motivation. With the help of in-depth case studies, representative surveys, and analysis based on a large number of firms and employees, this work identifies the various aspects of motivation in companies and shows how the right combination of intrinsic and extrinsic motivation can be achieved. *Successful Management Strategies and Tools* Marc

Can an independent business service in today's competitive environment? YES. On June 1, 1946, long before the arrival of Wal-Mart, K-Mart, HQ, and Home Depot, Bill Dieruf opened a hardware store in suburban Louisville, Kentucky. Since that time, the huge competitors have arrived, some opening megastores just minutes away from Dieruf Hardware. But the store that Bill built has not only survived but prospered, serving three generations of customers. Bill Dieruf shares the secrets of his success in this book, secrets that apply to the management of any independent business, retail, wholesale, or manufacturing. In straightforward, easy-to-read language, Bill bypasses textbook principles and management theory, concentrating instead on proven techniques that can help you start a business or manage one better.
