Suddenly One Was Taken :

Ciulirnerunak Yuuyaquinak/Do Not Live Without an Elder Ann Fienup-Riordan, 2016-10-15 In October of 2010 six men who were serving on the board of the Calista Elders Council CEC gathered in Anchorage with CEC staff to spend three days speaking about the subsistence way of life The men shared stories of their early years growing up on the land and harvesting through the seasons and the dangers they encountered there The gathering was striking for its regional breadth as elders came from the Bering Sea coast as well as the Yukon and Kuskokwim rivers And while their accounts had some commonalities they also served to demonstrate the wide range of different approaches to subsistence in different regions This book gathers the men s stories for the current generation and those to come Taken together they become more than simply oral histories rather they testify to the importance of transmitting memories and culture and of preserving knowledge of vanishing ways of life The Journal of the Linnean Society of London ,1881 **A New English Dictionary on Historical Principles** Sir James Augustus Henry Murray, 1919 **Then Will I Take Thee Up** D. L. Ferguson, 2009-08 I hadn t tested God s faithfulness then But the key was in my dreams His communication to me was nothing less than a modern day miracle While running through the smoke and the dust of the 9 11 attacks on New York City I prayed for strength that I hadn t tapped before When I endured the unexpected loss of my beloved parents only a few months later I felt stretched in untested ways But God was faithful Through a series of powerfully accurate dreams God communicated coming events that changed my life forever My nonfiction book *Then Will I Take Thee Up* takes a powerful look at supernatural intervention and divine guidance in the 21st century The story is a recount of experiences that lead me through a journey to recognizing God s faithfulness In a world filled with violence hatred famine disease murder of innocent children war nuclear threat economic failure The book addresses such questions as Where is God in life s trials and tribulations Does God direct our lives sometimes using dreams to communicate How does God strengthen us What can we learn when God uses prophetic dreams How can we survive the catastrophes of life Many question God s strength and presence when confronted with disaster in their life This book in studying dreams and how they can foretell events gives specific advice for seeing God in life s trials and tribulations Other books now on the market deal with interpreting dreams but this book is unique in examining how prophetic dreams reveal God s character and how he sometimes communicates with believers through dreams

Take It Easy, Vol 1 Talks on Zen Buddhism Osho,2023-03-07 Religion is the vast sky of existence Reason is a tiny human phenomenon The reason has to be lost has to be dropped Only by going beyond the mind does one start understanding what is That s the radical change No philosophy can bring that radical change only religion Religion is non philosophic anti philosophic and Zen is the purest form of religion Zen is the very essence of religion Hence it is irrational it is absurd If you try to understand it logically you will be bewildered It can only be understood illogically It has to be approached in deep sympathy and love YOU CANNOT approach Zen through empirical scientific objective concepts They all have to be dropped It is a heart phenomenon You have to feel it rather than think it You have to BE it to know it Being is knowing And there is no other knowing

Mummy, Take Me Home David Leslie,2011-04-29 Mummy take me home sobbed little Jasmine Chapman as she was ripped from her mother s arms But there was nothing that Morag could do except continue to fight for custody of the child she loved so much When their relationship ended Jasmine s parents argued bitterly about her future But they were unable to come to an amicable agreement and a UK court ruled that the case be heard in the US the home of Jasmine s father Fearing that she would lose her child Morag fled from Texas with her daughter only to be hauled back in shackles and incarcerated in a grim American prison When Morag was eventually freed and awarded custody of her little girl she thought her nightmare was over However back in the UK every move she made was watched and every mistake recorded Morag sank into deep depression and became lost in a haze of alcohol and drugs The once beautiful and desirable young woman found her life spiralling out of control Eventually she lost the daughter she had fought so hard to keep Mummy Take Me Home is the gripping and disturbing true life story of a tug of love that no mother should ever face and no child should be forced to endure
