Life of Augustus Suetonius,2014 Suetonius Life of Augustus is the most commonly read ancient account of the life of Rome s first emperor presenting a mass of historical and biographical detail about both his public and personal lives This volume provides the first large scale commentary on Suetonius work in English drawing out what is unique about Suetonius information discussing how it relates to other ancient accounts and assessing its historical reliability The commentary is the first to be accessible to readers without any knowledge of Latin or Greek due to its use of English lemmata while the new translation remains faithful to the original Latin Accompanied by an introduction which investigates the career of Suetonius the date of the Lives of the Caesars the structure of the Life of Augustus the various sources utilized by Suetonius and the way in which the reader should approach this complex text the commentary also looks to examine Suetonius work not just as a repository of facts but as a literary artefact carefully constructed by its author The Gospel of Matthew in Current Study David Edward Aune,2001 First rate scholars here explore the pastoral and academic aspects of the study of Matthew s Gospel Built on the best of current research these chapters cover a diverse range of significant topics in addition to highlighting the points of disagreement that continue to stimulate scholarship in the field Published in memory of William G Thompson S J The Gospel of Matthew in Current Study is not only a fitting tribute to Thompson s lifelong interest in the First Gospel but is also an excellent introduction to contemporary Matthean studies with great potential as a classroom resource Contributors Richard S Ascough David E Aune Wendy Cotter Daniel J Harrington Jack Dean Kingsbury Amy Jill Levine Anthony J Saldarini Donald Senior Graham N Stanton Thomas H Tobin Elaine Wainwright *Roman and European Mythologies* Yves Bonnefoy,1992-11-15 Collection of ninety five articles on Roman and European mythologies reproduced in full with illustrations from the two volume Mythologies Florentine Political Writings from Petrarch to Machiavelli Mark Jurdjevic,Natasha Piano,John P. McCormick,2019-06-07 In the fifteenth century republic of Florence political power resided in the hands of middle class merchants a few wealthy families and powerful craftsmen s guilds The intensity of Florentine

factionalism and the frequent alterations in its political institutions gave Renaissance thinkers ample opportunities to inquire into the nature of political legitimacy and the relationship between authority and its social context This volume provides a selection of texts that describes the language conceptual vocabulary and issues at stake in Florentine political culture at key moments in its development during the Renaissance Rather than presenting Renaissance political thought as a static set of arguments Florentine Political Writings from Petrarch to Machiavelli instead illustrates the degree to which political thought in the Italian City revolved around a common cluster of topics that were continually modified and revised and the way those common topics could be made to serve radically divergent political purposes Editors Mark Jurdjevic Natasha Piano and John P McCormick offer readers the opportunity to appreciate how Renaissance political thought often expressed in the language of classical idealism could be productively applied to pressing civic questions The editors expand the scope of Florentine humanist political writing by explicitly connecting it with the sixteenth century realist turn most influentially exemplified by Niccol Machiavelli and Francesco Guicciardini Presenting nineteen primary source documents including lesser known texts by Machiavelli and Guicciardini several of which are here translated into English for the first time this useful compendium shows how the Renaissance political imagination could be deployed to think through methods of electoral technology the balance of power between different social groups and other practical matters of political stability **ASMOSIA 4**

Association for the Study of Marble and Other Stones used in Antiquity. International Symposium,1999 Divus Augustus (De Vita Caesarum, Liber II) Suetonius,1951 **Dreams and Dreaming in the Roman Empire** Juliette

Harrison,2013-07-04 The history and literature of the Roman Empire is full of reports of dream prophecies dream ghosts and dream gods This volume offers a fresh approach to the study of ancient dreams by asking not what the ancients dreamed or how they experienced dreaming but why the Romans considered dreams to be important and worthy of recording Dream reports from historical and imaginative literature from the high point of the Roman Empire the first two centuries AD are analysed as objects of cultural memory records of events of cultural significance that contribute to the formation of a group s cultural identity The book also introduces the term cultural imagination as a tool for thinking about ancient myth and religion and avoiding the question of belief which arises mainly from creed based religions The book s conclusion compares dream reports in the Classical world with modern attitudes towards dreams and dreaming identifying distinctive features of both the world of the Romans and our own culture The Idea of Rome in Late Antiquity Ioannis Papadopoulos,2025-10-01 This book approaches the manifestation and evolution of the idea of Rome as an expression of Roman patriotism and as an urban archetype of utopia in late Roman thought in a period extending from AD 357 to 417 Within this period of about a human lifetime the concepts of Rome and Romanitas were reshaped and used for various ideological causes This monograph unfolds through a selection of sources that represent the patterns and diversity of this ideological process The theme of Rome as a personified and anthropomorphic figure and as an epitomized notion applied on the urban landscape would become part of

the identity of the Romans of Rome highlighting a sense of cultural uniqueness in an era when their city's privileged status was challenged Towards the end of the chronological limits set in this thesis various versions of Romanitas would emerge indicating new physical and spiritual potentials

[A writer's guide to Ancient Rome](#) Carey Fleiner, 2020-02-28 A really fun idea for a book and full of great stuff Greg Jenner Public Historian This is the perfect guide for any writer who wants to recreate the Roman world accurately in their fiction It will aid any novelist screenwriter games designer or re-enactor in populating their story with authentic characters and scenes costumes and locations Written from a historian's perspective this guide pulls back the curtain to show the reader what life in Ancient Rome was really like what they wore what they ate and how they spent their time at work at home at war and at play Individual chapters focus on different aspects of Romans' lives to give you specific knowledge of what they looked like and how they behaved as well as a broad appreciation of what held their civilisation together from religion to the economy to law and order You may wish to work your way through the book from cover to cover or focus specifically on individual chapters as you hone your creative writing skills Covering the period between 200 BCE and 200 CE A writer's guide to Ancient Rome surveys the vast amount of sources and scholarship on the Classical world so you don't have to It outlines current scholarly debates and changing interpretations suggests further reading and recommends particular resources to mine for each topic It gives you plenty to consider while you construct your own Roman world

Suetonius Divus Augustus Introduction

In today's digital age, the availability of Suetonius Divus Augustus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Suetonius Divus Augustus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Suetonius Divus Augustus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Suetonius Divus Augustus versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Suetonius Divus Augustus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Suetonius Divus Augustus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Suetonius Divus Augustus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Suetonius Divus Augustus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Suetonius Divus Augustus books and manuals for download and embark on your journey of knowledge?
