Suffering in Silence While Dealing with the Pain Within Leandra Green,2017-11-06 A common problem that we see many people struggle with is internalizing their pain and never really getting to the root cause of the problem I personally almost drowned in my pain by suffering in silence and this by far was one of the hardest seasons that I have ever faced in life This book was written to encourage those that are currently in this position It will encourage you to deal with the hard facts and reality that the pain in your life will never leave until you

address it Prepare yourself to be mentally spiritually and emotionally challenged to walk down the journey called healing Author Leandra Green will inspire you to expose the skeletons in your closet that you have buried deep in an attempt to escape your pain As you read this book it will ultimately cause you to see your pain from a place of victory instead of a place of defeat The season of suffering in silence has come to an end and this is your day of release You will begin to grasp the concept that your scars were purposeful Remember 2 Corinthians 5 17 says Therefore if anyone is in Christ he is a new creation old things have passed away behold all things have become new Your time of healing has come get ready to embrace the new Author Leandra Green
