

Sufi Saints And Mysticism

Scott Kugle

Sufi Saints And Mysticism:

Sufi Saints and Mysticism Sadhu Santideva,2000 , **Encyclopaedia of Indian Mysticism** ,1999 **Sufism**

Carl W. Ernst,2017-04-04 The classic introduction to the philosophies practices and history of Sufism the mystical tradition of Islam The Sufis are as diverse as the countries in which they ve flourished from Morocco to India to China and as varied as their distinctive forms of art music poetry and dance They are said to represent the mystical heart of Islam yet the term Sufism is notoriously difficult to define as it means different things to different people both within and outside the tradition With that fact in mind Carl Ernst explores the broadest range of Sufi philosophies and practices to provide one of the most complete and comprehensive introductions to Sufism available in English He traces the history of the movement from the earliest days of Islam to the present day along the way examining its relationship to the larger world of Islam and its encounters with both fundamentalism and secularism in the modern world *Sufis and Saints' Bodies* Scott

Kugle,2011-09-01 Islam is often described as abstract ascetic and uniquely disengaged from the human body Scott Kugle refutes this assertion in the first full study of Islamic mysticism as it relates to the human body Examining Sufi conceptions of the body in religious writings from the late fifteenth through the nineteenth century Kugle demonstrates that literature from this era often treated saints physical bodies as sites of sacred power *Sufis and Saints Bodies* focuses on six important saints from Sufi communities in North Africa and South Asia Kugle singles out a specific part of the body to which each saint is frequently associated in religious literature The saints bodies Kugle argues are treated as symbolic resources for generating religious meaning communal solidarity and the experience of sacred power In each chapter Kugle also features a particular theoretical problem drawing methodologically from religious studies anthropology studies of gender and sexuality theology feminism and philosophy Bringing a new perspective to Islamic studies Kugle shows how an important Islamic tradition integrated myriad understandings of the body in its nurturing role in the material social and spiritual realms *Mystics and*

Saints of Islam Claud Field,2019-11-27 In *Mystics and Saints of Islam* Claud Field offers a profound exploration of the spiritual landscape of Islamic mysticism focusing on often overlooked figures who have shaped its rich traditions With a scholarly approach Field delves into the lives and teachings of various mystics and saints employing a narrative style that is both accessible and deeply engaging The book is framed within a historical context that highlights the interplay between Islamic mysticism and the broader religious and cultural currents of the time making it a significant contribution to the understanding of Sufism and its impact on Muslim spirituality Claud Field was a notable scholar of Comparative Religion and Islamic Studies whose keen interest in the mystical dimensions of faith was influenced by his extensive travels in the Middle East and his interactions with scholars and practitioners His background in linguistics also allowed him to engage with original texts in a nuanced manner providing authenticity and depth to his descriptions of the figures presented in this work This book is an essential read for those intrigued by spirituality and the intricate tapestry of Islamic faith Field s insightful

analysis and narrative prowess make *Mystics and Saints of Islam* not only informative but also a captivating journey into the heart of Sufi traditions appealing to both academic audiences and general readers alike

Sufism, Mystics, and Saints in Modern Egypt Valerie J. Hoffman, 2023-02-07 A fascinating insider's account of Sufi life in contemporary Egypt For centuries Sufism Islamic mysticism held a major place in Islamic spirituality intellectual life and popular religion While many scholars have commented on Sufism's decline few have delved deeply into present day Egyptian Sufism or considered it as a system in its own right Drawing on her detailed fieldwork and a variety of little known literary sources Valerie J Hoffman presents Sufism as it exists in Egypt today in the vivid experiences of its adherents With an array of conclusions that overturn widely held beliefs about modern Sufis Hoffman argues that the apparent assimilation of Egyptian Sufism masks a thriving movement hidden from the Western world From her experiences as a quasi disciple of a Sufi master she offers new insights into the movement's evolution the vital role of women in Sufism and Sufi perspectives on gender and sexuality

Muslim Saints and Mystics Farid al-Din Attar, 2007-11-29 This is a major work of Islamic mysticism by the great thirteenth century Persian poet Farid al Din Attar Translated by A J Arberry Attar's work and thought is set in perspective in a substantial introduction

Sufis & Saints' Bodies Scott Kugle, 2009-01-01 Islam is often described as particularly abstract ascetic and uniquely disengaged from the human body Scott Kugle refutes this assertion in the first full study of Islamic mysticism as it relates to the human body Examining Sufi conceptions of the body in religious writings from the late fifteenth through the nineteenth century Kugle demonstrates that literature from this era often treated saints physical bodies as sites of sacred power

Rabi'a The Mystic and her Fellow-Saints in Islam Margaret Smith, 1984-10-04 For centuries there has been fascination within and beyond the Islamic world with the mystical teachings of Sufism and with the role of the Islamic saints whose life and work were important to Islamic theology Margaret Smith's classic work *Rabi'a the Mystic* describes the teaching life and times of one of the great women of the Islamic tradition Rabi'a of Basra This study has never been bettered It is now reissued unchanged but with a new introduction by Professor Annemarie Schimmel This emphasises the importance of the book and of Rabi'a herself and questions of major importance today the nature of mystical belief and experience the Sufi tradition and the role of women in the Islamic world
