Edward Brittain and his son Mark were killed in action sparking a lifelong commitment to pacifism. In 1933 she published *Testament of Youth*, the first of three books dealing with her experience of war. In equal measures courageous, tragic and deeply fascinating, *Testament of Youth* is one of the most compelling and important works of war literature ever to have been written by a British woman. Mark Bostridge's *Vera Brittain and the First World War* explores the effects of the First World War on Vera Brittain both in terms of her personal life and in terms of its effect on her development as a writer and her eventual decision to become a pacifist. Taking advantage of the interest generated by the film, it will bring her story to a new generation and incorporate the most up to date research. The book includes a short essay 'From Book to Film' describing the process of turning *Testament of Youth* into a major feature film. This includes interviews with the production staff and actors as well as with members of Vera Brittain's family including Shirley Williams.

Edinburgh History of Children's Periodicals Michelle J. Smith, Beth Rodgers, Kristine Moruzi, 2024-04-30. Since the publication of the first children's periodical in the 1750s, magazines have been an affordable and accessible way for children to read and form virtual communities. Despite the range of children's periodicals that exist, they have not been studied to the same extent as children's literature. *The Edinburgh History of Children's Periodicals* marks the first major history of magazines for young people from the mid eighteenth century to the present. Bringing together periodicals from Britain, Ireland, North America, Australia, New Zealand and India, this book explores the roles of gender, race and national identity in the construction of children as readers and writers. It provides new insights both into how child readers shaped the magazines they read and how magazines have encouraged children to view themselves as political and world subjects.

We Also Served Vivien Newman, 2014-11-30. A social history of British women's brave yet forgotten service during WWI from a historian of female wartime experiences, includes photos. At the outbreak of World War I, women looking to contribute to the Allied effort were told by the war office to go home and sit still. Thankfully, hundreds of thousands of women from all corners of society ignored that advice and lent their collective strength to the cause. In *We Also Served*, Vivien Newman digs beneath the myths surrounding women's war efforts to reveal stories of determination and heroism. Becoming nurses, munitions workers, members of the Land Army, ambulance drivers and surgeons, women stepped readily into a world normally occupied by men. Some served with the Armed Forces, others funded and managed their own hospitals within sight and sound of the guns. At least one British woman bore arms and over a thousand women lost their lives as a direct result of their involvement with the war. This profoundly important history, by an expert in female wartime experiences, lets these all but forgotten voices finally be heard. A short book rich in facts and personal testimonies.
