Temple Of Music

Stewart Desmond

Temple Of Music:

Souvenir of the Dedication Temple of Music and Art E. E. Gill, 1927 **Into the Temple of Music** Stewart Desmond, 2022 Into the Temple of Music culminates in the tragic confrontation of President William McKinley and assassin Leon Czolgosz in the Temple of Music of the Pan American Exposition The rapid growth of industry and trade in Buffalo created fortunes larger than ever known before The wealthy built many fine homes described in this book They sponsored great public buildings like the Buffalo Library on Lafayette Square Perhaps most important of all the wealthy invited Frederick Law Olmsted to town to create a parks system But the wealth came about through exploitation of cheap immigrant labor on the Buffalo docks Conflicts between capitalists and labor grew over these years When elite Buffalo planned its great Pan American Exposition of 1901 payback came in the form of an anarchist laborer from a Polish immigrant family who knew he was trapped forever on the factory floor **"There's Music in the Air."** ... Loomis' Temple of Music, 1873 Advertisement with engravings of the music store and instruments sold by Loomis and a small map showing the store's location **The World of Music** Comtesse Anna de Brémont, 1892 *The Temple of Music, Tynningham*, 1934 *The International Library of Music for Home and Studio: History of music. Biographical sketches. Dictionary*, 1925 *The Music of the Church ... Containing a General History of Music, Etc* Thomas Hirst, 1841 *Dwight's Journal of Music* John S. Dwight, 2025-08-22 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Dimension of Music in Islamic and Jewish Culture* Amnon Shiloah, 2024-12-11 Though we can no longer hear how it sounded the written sources that remain provide much information on the music of the medieval Islamic and Jewish worlds on how it was regarded and on the importance that was attached to it Amnon Shiloah has been a pioneer in the exploration of these sources and the present volume brings together some of the results The opening studies examine with annotated translations several key works expounding the meaning of music and its power in terms of its ethical and therapeutic effects and properties The following articles focus on scientific writings about music and on the transmission of musical knowledge while the final section approaches the subject from the angle of religion noting how the power attributed to music occasioned the distrust of many religious figures who feared its capacity to deprave and debase its audience Bien que nous ne puissions plus de nos jours l'entendre les sources crites qui ont survécu apportent normalement d'information sur la musique des mondes juifs et islamiques sur l'importance qui y était attachée et sur son rôle Le professeur Shiloah est un des pionniers en terme d'exploration de ces sources et le présent volume rassemble un certain nombre des résultats de ses recherches Les premières études accompagnées de traductions annotées font l'examen de plusieurs travaux importants exposant la signification de la musique et sa puissance de par ses effets et ses propriétés morales et thérapeutiques Les articles suivants se concentrent sur les écrits scientifiques au sujet de la musique et sur la propagation de la connaissance

musicale La dernière section aborde le sujet partir de l'aspect de la religion soulignant combien le pouvoir attribué à la musique entraîne une certaine méfiance de la part d'un certain nombre de religieux qui craignaient son aptitude à avilir et à priver ceux qui l'écoutaient **Dwight's Journal of Music**, 1857
