Temple To Love Architecture And Devotion In Seventeenth Century Bengal:

Temple to Love Pika Ghosh, 2005-04-20 An excellent analytical study of a sensationally beautiful type of temple This work is not just art historical but embraces religious studies anthropology history and literature Catherine B Asher Advances our knowledge of Bengali temple building practices the complex inter reliance between religion state power and art and the ways in which Western colonial assumptions have distorted correct interpretation A splendid book Rachel Fell McDermott In the flux created by the Mughal conquest Hindu landholders of eastern India began to build a spectacularly beautiful new style of brick temple known as Ratna This bejeweled style combined features of Sultanate mosques and thatched houses and included second story rooms conceived as the pleasure grounds of the gods where Krishna and his beloved Radha could rekindle their passion Pika Ghosh uses art historical archaeological textual and ethnographic approaches to explore this innovation in the context of its times Includes 82 stunning black and white images of rarely photographed structures

Published in association with the American Institute of Indian Studies **The Hindu Temple and Its Sacred Landscape** Himanshu Prabha Ray, 2023-05-30 The Hindu Temple and Its Sacred Landscape illustrates how careful attention to the Hindu temple its social history and cultural landscape allows us to better appreciate how Hinduism has been practised and lived throughout history The Hindu temple was not merely a place of worship or a static indicator of royal generosity but an institution that involved the active participation of the community for its establishment maintenance and survival Rather than studying temples as isolated structures The Hindu Temple and Its Sacred Landscape thus suggests that we need to examine them in the context of their social base and the sacred microcosms of which they form a part Through a combination of textual study archaeological evidence and insights from contemporary anthropology the book explores the diverse ways in which devotees patrons and visitors have engaged with temples shrines and their wider surroundings Drawing attention to the vibrancy of the Hindu temple in different locales The Hindu Temple and Its Sacred Landscape traces the ways in which Hindu notions of sanctity and sacredness were defined and redefined throughout history through the diversity of temple audiences deities and rituals The book thus allows us to form a more accurate picture of Hindu religious life in the past and the central role the temple has played in consolidating Hindu identity *Banaras Reconstructed* Madhuri Desai, 2017-06-27 Between the late sixteenth and early twentieth centuries Banaras the iconic Hindu center in northern India that is often described as the oldest living city in the world was reconstructed materially as well as imaginatively and embellished with temples monasteries mansions and ghats riverfront fortress palaces Banaras's refurbished sacred landscape became the subject of pilgrimage maps and its spectacular riverfront was depicted in panoramas and described in travelogues In Banaras Reconstructed Madhuri Desai examines the confluences as well as the tensions that have shaped this complex and remarkable city In so doing she raises issues central to historical as well as contemporary Indian identity and delves into larger questions about religious urban environments in South Asia *Embroidered Histories* Barbara Karl, 2016-03-08 Early

modern India was an economic core region producing manifold textiles for export During the sixteenth century a new customer entered the stage and expanded its influence from the city of Goa Portugal From early times the Portuguese had bought and commissioned textiles among them large embroideries from Bengal and Gujarat which are the focus of this study By providing European prints as models for the professional local embroiderers they created a novel product that was successful in Portugal and beyond throughout the seventeenth century The textiles were deemed valuable and rare enough to be included in different travel accounts letters and inventories enabling us to trace their place of production their transportation to Europe and their reception Their intricate iconographies reflect political problematics of the time and shed light onto the intercultural circumstances of Portuguese colonial life Barbara Karl is Curator of Textiles and Carpets at the MAK Museum f r Angewandte Kunst Gegenwartskunst in Vienna **The Place of Devotion** Sukanya
