Ten Theologians Respond To The Unification Church:

Ten Theologians Respond to the Unification Church Herbert Warren Richardson, Durwood Foster, 1981-01-01 *The Unification Church in America* Michael L. Mickler, 1987 *Fall Narratives* Zohar Hadromi-Allouche, Áine Larkin, 2016-12-01 Throughout history the motif of the Fall has impacted upon our understanding of theology and philosophy and has had an influence on everything from literature to dance Fall Narratives brings together theologians historians and artists as well as philosophers and scholars of religion and literature to explore and reflect on a wide range of concepts of the Fall Bringing a fresh understanding of the nuanced meanings of the Fall and its various manifestations over time and across space contributions reflect on the ways in which the Fall can be seen as a transition into absence how conceptions of the Fall relate to change and shape one another and how the Fall can be seen positively embracing as it does a narrative of hope **A Cult Challenge to the Church** Wm. W. Wells, 2020-08-07 The Moonies like most of the new religious movements of the sixties and seventies are a pale reflection of their former selves but the problem they addressed is still very much with us for most people the church does not represent the will of God well if at all These are the real stories of a non Christian confronting Christians I present this in the spirit of love for all Christians as I am now one of you **Unification Insights into Marriage and Family: The Writings of Dietrich F. Seidel** Jennifer P. Tanabe, Dietrich F. Seidel, 2016-12-09 A collection of the writings of Dr Dietrich F Seidel compiled and edited by Dr Jennifer P Tanabe Dietrich Seidel was born in Austria during World War II and trained as a scientist in Vienna Raised Catholic he later converted to Unificationism and never lost his faith in God a faith which guided his life and illuminates his work This selection reflects Dr Seidel s ability to unify and harmonize even those apparently at odds such as science and religion and his specialty married couples in need of counseling In his writings on marriage and family enrichment readers will find practical advice on improving their relationship with their spouse child rearing making God central to their family and finding true love all presented in an enjoyable and easy to read style Other articles show a more scholarly form and topic such as human nature and the love of God Reflective pieces on his experiences as a Unificationist are also included in this collection **Cult Controversies** James A. Beckford, 1985 **The Family and the Unification Church** Gene G. James, 1983 **Religious Identities and the Global South** Felix Wilfred, 2021-01-04 This book offers a comprehensive and interdisciplinary account of religious identities in the Global South Drawing on literature in various fields Felix Wilfred analyzes how religious identities intersect with the processes of globalization modernity and postmodernity He illustrates how the study of religion in the Global North often revolves around questions of secularism and fundamentalism whereas a neo Orientalist quality often attends study of religion in the Global South These approaches and theorizing fail to incorporate the experiences of lived religion in the South especially in Asia Historically the religions in the South have played a highly significant role in resistance to the domination by the colonial forces an important reason for the continued attachment of the peoples of the South to their religious universe This book

puts the two regions and their scholarly norms in conversation with one another exploring the social political cultural and economic implications The Unification Church: Outreach Michael L. Mickler,1990 *Handbook of Religion* Terry C. Muck,Harold A. Netland,Gerald R. McDermott,2014-11-04 This comprehensive handbook provides a Christian perspective on religion and its many manifestations around the world Written by top religion scholars from a broad spectrum of Christianity it introduces world religions indigenous religious traditions and new religious movements Articles explore the relationship of other religions to Christianity providing historical perspective on past encounters and highlighting current issues The book also contains articles by adherents of non Christian religions offering readers an insider s perspective on various religions and their encounters with Christianity Maps timelines and sidebars are included **Horace Bushnell on Christian Character Development** Lee J. Makowski,1999 Horace Bushnell on Christian Character Development examines the issue of character development in the speculative works and sermons of Horace Bushnell in relation to Orthodox Calvinist Unitarian and contemporary Catholic considerations of the same The author emphasizes the practical purpose of theological investigation to promote the universal cause of personal growth and development He systematically presents Bushnell s thought on that popular issue by way of a critical analysis of his language theory his rhetoric and his understanding of theology as a kind of persuasive art Bushnell proposed a theological alternative to the typical understanding of character development conversion espoused by Orthodox Calvinism Unitarianism and secular humanism His alternative incorporated the strengths of those historically influential bodies of thought and compensated for what he thought to be deficient in them In this book the reader is introduced to a theology that is remarkable for its insights into human interiority its soundness as a proposal for wholesome human living and its ecumenical spirit *Communal Life* Yosef Gorni,IaĂicov Oved,IditWyEd Paz,1987-01-01 This remarkable compendium brings together more than eighty scholars from throughout the world to examine the experience of the kibbutz and communal living Through careful examination of the ideological historical educational sociological and economic origins and realities of communal living the contributors provide strong and positive support for the belief that a cooperative society can exist within an antagonistic competitive system Taken together these contributions provide dialogue among and between those who research communal life and those who live it
