preserved wooden digging sticks and spades for their past use in cultivation Investigations in 1966 at a tea plantation in the upper Wahgi Valley by a small team from The Australian National University yielded a date of over 2000 years ago for a wooden stick collected from the bottom of a prehistoric ditch The establishment of Kuk Research Station a few kilometres away shortly afterwards provided an ideal opportunity for a research project *Ten Thousand a-Year (Vol. 2) - The Original Classic Edition* Samuel Warren,2013-03-14 Finally available a high quality book of the original classic edition of Ten Thousand a Year Vol 2 It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work by Samuel Warren which is now at last again available to you Get the PDF and EPUB NOW as well Included in your purchase you have Ten Thousand a Year Vol 2 in EPUB AND PDF format to read on any tablet eReader desktop laptop or smartphone simultaneous Get it NOW Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside Ten Thousand a Year Vol 2 Look inside the book Aubrey looked towards him with a very different expression from that exhibited by his forbidding companion and would perhaps have stood his ground but for a Pg 7 glimpse he caught of a huge powdered broad shouldered footman in a splendid livery one of Lord De la Zouch s servants who with a great thick silver headed cane in his hand was standing at a little distance behind in attendance on the carriage which was in the Castle yard Silent and more silent he became more and more observant of the motions of Snap and Titmouse more and more complicated and profound in his schemes and purposes and at length he felt as if by some incomprehensible means he were attempting to take himself in inveigling himself at which point after a vain attempt to understand his exact position with reference to himself he slowly but rather unsteadily rose from his chair looked with an unsettled eye at Titmouse for nearly a minute a queer smile now and then flitted across his features and he presently rang the bell About Samuel Warren the Author Warren 1852 1910 US attorney co author with Brandeis of the classic law review article The Right to Privacy 1890 If an internal link led you here you may wish to change the link to point directly to the intended article *Ten Thousand A-Year; Volume 1* Samuel Warren,2023-07-18 This is a delightful novel by Samuel Warren that tells the story of Tittlebat Titmouse a hapless commoner who unexpectedly inherits a fortune and finds himself plunged into the world of high society The book is a satirical take on the manners and mores of Victorian England and is characterized by its wit humor and incisive social commentary Whether you are a fan of classic literature or simply enjoy a good story this book is sure to entertain you This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Works of**
