**Rose-Carol Washton Long, Matthew
Baigell, Milly Heyd**

Tenderenda Der Phantast By Ball Hugo:

Tenderenda Der Phantast Hugo Ball, 2017-10-17 Bereits in den Jahren 1914 bis 1920 entstand Hugo Balls Text *Tenderenda der Phantast*. Eine Gattungsbezeichnung ist nicht ganz einfach zu finden, denn mit einem Roman im herkömmlichen Sinn. Hugo Ball selbst hatte ursprünglich Roman als Gattungsbezeichnung vorgeschlagen. Haben die 15 Episoden des *Tenderenda* nur wenig gemein? Die Kapitel, denen jeweils zeitlich räumliche Vorbemerkungen pointierten Regieanweisungen gleich vorangestellt sind, tragen demnach auch so poetische und enigmatische Beschriftungen wie *Der Aufstieg des Sehers*, *Grand Hotel Metaphysik* oder *Bulbos Gebet* und der *Gebratene Dichter*. Die realzeitlichen und die autobiographischen Einschreibungen verleihen dem Text jedoch eine Chronologie und damit auch eine Art Kohärenz. *Der Aufstieg des Sehers* spielt auf den großen Einfluss von Nietzsches *Zarathustra* auf die Literatur des Expressionismus und Dadaismus an. *Das Karussellpferd* Johann handelt von der Emigration einer phantastischen Dichtergemeinde im Jahr 1914 und *Grand Hotel Metaphysik* hat nichts Geringeres als die Geburt des Dadaismus zum Thema.

Flight Out of Time Hugo Ball, 1996-05-06 A key document indispensable for an understanding of the beginnings of the Dada movement and Dada in Zurich. Rudolf Kuenzli, Director International Dada Archive. In *Flight Out of Time* one can follow Dada's unfolding and expansion almost day by day. Charles Haxthausen, coeditor Berlin Culture and Metropolis.

Gothic Topographies Matti Savolainen, 2016-04-22 In demonstrating the global reach of Gothic literatures this collection takes up the influence of the Gothic mode in literatures that may be geographically remote from one another but still share related issues of minor languages, nation building, place and race. Suggesting that there is a parallel between certain motifs and themes found in the Gothic of the North, Scandinavia, Northern Europe and Canada and South Australia, South Africa and the US South, the essays explore the transgressions and confusion of borders and limits, whether they be linguistic, literary, generic, class based, gendered or sexual. The volume includes essays on a wide diversity of authors and topics: Jan Potocki, Gustav Meyrink, William Godwin, Alan Hollinghurst, Marlene van Niekerk, John Richardson, antislavery discourse and the Gothic imagination, the Australian aboriginal Gothic, vampires of Post-Soviet Gothic society, Danish, Swedish and Finnish fiction and film and the Canadian female Gothic and the death drive. What distinguishes this book from other collections on the Gothic is the coverage of themes and literatures that are either lacking in the mainstream research on the Gothic or are referred to only briefly in other book-length studies. Experts in the Gothic and those new to the field will appreciate the book's commitment to situating Gothic sensibilities in an international context.

The 'Jewish Question' in German Literature, 1749-1939 Ritchie Robertson, 2001-10-18 *The Jewish Question in German Literature 1749-1939* is an erudite and searching literary study of the uneasy position of the Jews in Germany and Austria from the first pleas for Jewish emancipation during the Enlightenment to the eve of the Holocaust. Trying to avoid hindsight and drawing on a wide range of literary texts, Ritchie Robertson offers a close examination of attempts to construct a Jewish identity suitable for an increasingly secular world. He examines both

literary portrayals of Jews by Gentile writers whether antisemitic friendly or ambivalent and efforts to reinvent Jewish identities by the Jews themselves in response to antisemitism culminating in Zionism No other study by a single author deals with German Jewish relations so comprehensively and over such a long period of literary history Robertson s new work will prove stimulating for anyone interested in the modern Jewish experience as well as for scholars and students of German fiction prose and political culture Cannibalizing the Canon ,2024-02-06 This rich in depth exploration of Dada s roots in East Central Europe is a vital addition to existing research on Dada and the avant garde Through deeply researched case studies and employing novel theoretical approaches the volume rewrites the history of Dada as a story of cultural and political hybridity border crossings transitions and transgressions across political class and gender lines Dismantling prevailing notions of Dada as a Western movement the contributors to this volume present East Central Europe as the locus of Dada activity and techniques The articles explore how artists from the region pre figured Dada as well as actively cannibalized that is reabsorbed and further hybridized a range of avant garde techniques thus challenging Western cultural hegemony **Tenderenda Der Phantast** Hugo Ball,1967 Jewish Dimensions in Modern Visual Culture Rose-Carol Washton Long,Matthew Baigell,Milly Heyd,2010 A fascinating look at key aspects of visual culture in modern Jewish history

Modernism - Dada - Postmodernism Richard Sheppard,2000 This new collection updates integrates and contextualizes Richard Sheppard s essays on the historical avant garde Sheppard examines responses of modernist writers artists and philosophers to a changed sense of reality and human nature With its combination of previously published and new essays and its perspective on the theoretical avant garde modernism debate in the U S the volume provides the specialist and the general reader insight into European scholarly discourse on this hotly debated subject The Life and Work of Hugo Ball, Founder of Dadaism Gerhardt Edward Steinke,1967 Dada Surrealism ,1984
