

TENNYSON & Madness

Ann C. Colley

Tennyson And Madness

M Lipman

Tennyson And Madness:

Tennyson and Madness Ann C. Colley, 1983-01-01 Describes Tennyson's encounters with mental illness and examines the treatment of the theme of madness in his poetry

A Blueprint of His Dissent Roger S. Platizky, 1989 A systematic examination of five poems by Tennyson revealing a subtle encoding by the poet of a multi level criticism of Victorian mores The dementia of Tennyson's mad speakers is shown to arise from problematic Victorian conflicts about faith duty death and the suppression of desire

The Artistry and Tradition of Tennyson's Battle Poetry Timothy J. Lovelace, 2004-03 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company

Parasites, Pussycats and Psychosis E. Fuller Torrey, 2021-11-29 This open access book analyzes the evidence linking *Toxoplasma gondii* to the increasing incidence of schizophrenia and bipolar disorder in the United States Initially establishing that infectious agents are regularly transmitted from animals to humans lead to human disease and that infectious agents can cause psychosis it then examines the protozoan parasite *Toxoplasma gondii* in detail Infecting 40 million Americans *Toxoplasma gondii* is known to cause congenital infections eye disease and encephalitis for individuals who are immunosuppressed It has also been shown to change the behavior of nonhuman mammals as well as to alter some personality traits in humans After discussing the clinical evidence linking *Toxoplasma gondii* to human psychosis the book elucidates the epidemiological evidence further supporting this linkage including the proportional increase in incidence of human psychosis as cats transitioned to domestication over 800 years Finally the book assesses the magnitude of the problem and suggests solutions

Parasites Pussycats and Psychosis The Unknown Dangers of Human Toxoplasmosis provides a comprehensive review of the evidence linking human psychosis in the United States to infections of *Toxoplasma gondii* It will be of interest to infectious disease specialists general practitioners scientists historians and cat lovers

Labyrinths of Deceit Richard J. Walker, 2008-01-01 An Open Access edition of this book is available on the Liverpool University Press website and through Knowledge Unlatched Prominent citizens in nineteenth century England believed themselves to be living in a time of unstoppable progress Yet running just beneath Victorian triumphalism were strong undercurrents of chaos and uncertainty Richard Walker plumbs the depths of those currents in order to present an alternative history of nineteenth century society Mining literary and philosophical works of the period Walker explores the crisis of identity that beset nineteenth century thinkers and how that crisis revealed itself in portrayals of addiction split personalities and religious mania Victorian England will never look the same

Tennyson's Camelot David Staines, 2010-10-30 As the principal narrative poem of nineteenth century England Tennyson's *Idylls of the King* is an ambitious and widely influential reworking of the Arthurian legends of the Middle Ages which have provided a great body of myth and symbol to writers painters and composers for the past hundred years Tennyson's treatment of these legends is now valued as a deeply significant oblique commentary on cultural decadence and the precarious balance of civilization Drawing upon published and unpublished materials Tennyson's *Camelot* studies the *Idylls*

of the King from the perspective of all its medieval sources In noting the Arthurian literature Tennyson knew and paying special attention to the works that became central to his Arthurian creation the volume reveals the poet's immense knowledge of the medieval legends and his varied approaches to his sources The author follows the chronology of composition of the Idylls allowing the reader to see Tennyson's evolving conception of his poem and his changing attitudes to the medieval accounts The Idylls of the King stands ultimately as the poet's own Camelot his legacy to his generation an indictment of his society through a vindication of his idealism

The Poet's Mind Gregory Tate, 2012-11-08 The Poet's Mind is a major study of how Victorian poets thought and wrote about the human mind It argues that Victorian poets inheriting from their Romantic forerunners the belief that subjective thoughts and feelings were the most important materials for poetry used their writing both to give expression to mental processes and to scrutinise and analyse those processes In this volume Gregory Tate considers why and how psychological analysis became an increasingly important element of poetic theory and practice in the mid nineteenth century a time when the discipline of psychology was emerging alongside the growing recognition that the workings of the mind might be understood using the analytical methods of science The writings of Victorian poets often show an awareness of this psychology but at the same time the language and tone of their psychological verse and especially their ambivalent use of terms such as brain mind and soul voice an unresolved tension felt throughout Victorian culture between scientific theories of psychology and metaphysical or religious accounts of selfhood The Poet's Mind considers the poetry of Browning Tennyson Arnold Clough and George Eliot offering detailed readings of several major Victorian poems and presenting new evidence of their authors interest in contemporary psychological theory Ranging across lyric verse epic poetry and the dramatic monologue the book explores the ways in which poetry simultaneously drew on resisted and contributed to the spread of scientific theories of mind in Victorian Britain

The Perversity of Poetry Dino Franco Felluga, 2005-01-01 Explains why poetry gave way to the realist novel as the dominant literary form in nineteenth century England

Tennyson's Maud Ralph Wilson Rader, 1963

John Clare Society Journal, 13 (1994) Tom Bates, Claire Lamont, Peter Cox, Valerie Pedlar, Norman Iles, Bob Heyes, Richard Lessa, William D. Brewer, Kaye Kossick, John Lincoln, Edward Storey, David Powell, P.M.S. Dawson, 1994-07-13 The official Journal of the John Clare Society published annually to reflect the interest in and approaches to the life and work of the poet John Clare
