The Tent Dwellers Albert Bigelow Paine, 2017-03-25 Immediately we that is to say Eddie began to buy things It is Eddie's way to read text books and to consult catalogues with a view of making a variety of purchases He has had a great deal of experience in the matter of camp life but being a modest man he has a fund of respect for the experience of others Any one who has had enough ability or time to write a book on the subject and enough perseverance or money to get it published can preach the gospel of the woods to Eddie in the matter of camp appointments and even the manufacturers catalogues are considered sound reading As a result he has accumulated an amazing collection of articles adapted to every time and season to every change of wind and temperature to every spot where the tent gleams white in the campfire's blaze from Greenland's icy mountains to India's coral strand Far be it from me to deride or deprecate this tendency even though it were a ruling passion There are days and nights too recalled now with only a heart full of gratitude because of Eddie's almost inexhaustible storehouse of comforts for soul and flesh the direct result of those text books and those catalogues and of the wild sweet joy he always found in making lists and laying in supplies TENT DWELLERS ALBERT BIGELOW.
