Kelly Robinson, 2008-08-26 A suspenseful coming of age story that moves from the halls of a historically black university to the streets of Washington D C with great insight into the joys and perils of discovering what really matters in life As the Ellis Community Center a rare bright spot in a low income Washington D C neighborhood struggles to keep its doors open its last hope for survival lies with four Highland University housemates Terence Bootstrapper Davidson Clawing his way out of poverty he refuses to give in to the streets while struggling to save Biggie his defiant little brother from that very fate Larry Smooth Operator Whitaker Driven and ambitious he has everything the Lexus the superfly girlfriend and a future edged in gold Brandon Choirboy Bailey A bright premed major who has been dateless for four years he struggles to maintain his religious faith despite his longing for Monica a classmate he s loved from afar O J Sinister Minister Peters Unsuccessfully juggling his budding career as a Baptist preacher with a string of empty affairs he sees his carefully constructed double life threatened when a member of his congregation becomes pregnant Their mission to save Ellis Center quickly puts them in harm s way when Nico Lane a sophisticated local drug dealer who wants the center shut down becomes aware of their efforts When Larry s campaign for student body president is sabotaged O J s women suddenly catch on to his act and Terence is forced to choose between the center and Biggie s life the men suspect there is more to the center s problems than just bad finances From the Trade Paperback edition **Love of Brothers** Katherine Tynan, 2018-04-05 Reproduction of the original Love of Brothers by Katherine Tynan *the brothers o'toole* Tim J. Kelly,

The Brothers (Adelphoe) Terence, 1962 Micio is an aging easygoing Athenian bachelor whose strict and hardworking brother Demea permits him to adopt and rear Aeschinus one of Demea s two sons Unlike his brother Micio is a permissive parent choosing to let pass many of Aeschinus s small extravagances on the assumption that children are more likely to remain bound to their duty by ties of kindness than by those of fear Micio comes to wonder if his policy raising his son Ctesipho is better *Love of Brothers* Katharine Tynan, 2021-04-24 In Love of Brothers Katharine Tynan masterfully weaves a poignant narrative that captures the complexities of familial love amidst the backdrop of societal change in early 20th century Ireland The novel is characterized by Tynan s characteristic lyrical prose interspersed with evocative imagery that brings to life the intimate dynamics between siblings The text examines themes of duty sacrifice and the sometimes tumultuous interplay of affection and rivalry offering a nuanced exploration of love that transcends mere sentimentality while still remaining deeply rooted in the Irish literary tradition Katharine Tynan a vital figure in Irish literature and a contemporary of W B Yeats drew from her experiences as a woman navigating the expectations of both family and society Her own life as a mother and wife coupled with her keen awareness of the cultural landscape of her time infused her writing with authenticity and insight Known for her advocacy of women s rights Tynan s perspectives shed light on the role of women in family settings making her work increasingly relevant in today s discourse on gender and identity Love of Brothers is a

compelling read for those interested in exploring the intricacies of human relationships and the emotional landscapes of familial ties Tynan's reflections call readers to ponder the ways in which love both binds and complicates our lives making this novel a timeless addition to any literary collection

Greek and Roman Comedy Shawn O'Bryhim, 2010-01-01 Much of what we know of Greco Roman comedy comes from the surviving works of just four playwrights the Greeks Aristophanes and Menander and the Romans Plautus and Terence To introduce these authors and their work to students and general readers this book offers a new accessible translation of a representative play by each playwright accompanied by a general introduction to the author's life and times a scholarly article on a prominent theme in the play and a bibliography of selected readings about the play and playwright This range of material rare in a single volume provides several reading and teaching options from the study of a single author to an overview of the entire Classical comedic tradition The plays have been translated for readability and fidelity to the original text by established Classics scholars Douglas Olson provides the translation and commentary for Aristophanes *Acharnians* Shawn O Bryhim for Menander's *Dyskolos* George Fredric Franco for Plautus *Casina* and Timothy J Moore for Terence's *Phormio*

Gift and Gain Neil Coffee, 2017 *Gift and Gain* How Money Transformed Ancient Rome shows how over the course of Rome's classical era a vibrant commercial culture progressively displaced traditional systems of gift giving that had long been central to Rome's material social and political economy with effects on areas of life from marriage to politics

The Hamburg Dramaturgy by G.E. Lessing Natalya Baldyga, 2018-10-26 While eighteenth century playwright and critic Gotthold Ephraim Lessing made numerous contributions in his lifetime to the theater the text that best documents his dynamic and shifting views on dramatic theory is also that which continues to resonate with later generations the *Hamburg Dramaturgy* *Hamburgische Dramaturgie* 1767-69 This collection of 104 short essays represents one of the eighteenth century's most important critical engagements with the theater and its potential to promote humanistic discourse Lessing's essays are an immensely erudite deeply engaged witty ironic and occasionally scathing investigation of European theatrical culture bolstered by deep analysis of Aristotelian dramatic theory and utopian visions of theater as a vehicle for human connection This is the first complete English translation of Lessing's text with extensive annotations that place the work in its historical context For the first time English language readers can trace primary source references and link Lessing's observations on drama theory and performance not only to the plays he discusses but also to dramatic criticism and acting theory This volume also includes three introductory essays that situate Lessing's work both within his historical time period and in terms of his influence on Enlightenment and post Enlightenment theater and criticism The newly translated *Hamburg Dramaturgy* will speak to dramaturgs directors and humanities scholars who see theater not only for entertainment but also for philosophical and political debate

Wyckelm Volume 1 The ageless child James W. Richardson, 2025-07-29 A newborn swaddled in a bloodstained cloth is pulled from the rushing waters of a river during a battle Taken to safety in a tower to the south of the land of men it took the child several decades to grow into

the form of a shy young man bearing on his skull the marks of deep wounds Under the protection of his savior he spends his days with a small creature hidden beneath his garments in a utopian environment where magic intertwines with a peaceful and harmonious existence Wyckelm will be unwittingly swept into an epic adventure that will lead him to uncover the truth about his origins and the mysterious growing evil that gnaws at the northern lands This first volume lays the groundwork for an epic tale that blends action and political intrigue narrating two parallel stories the hero s present and the continent s past Born in 1973 James W Richardson is married and has one child He is also the eldest of an Anglo American family and spent his childhood between the two continents After retiring from the British special services where he served for over twenty years he decided to devote his time to crafting several novels of fantasy and espionage

Terence - Adelphoe (The Brothers) Terence,2019-07-11 Publius Terentius Afer is better known to us as the Roman playwright Terence Much of his life especially the early part is either unknown or has conflicting sources and accounts His birth date is said to be either 185 BC or a decade earlier 195 BC His place of birth is variously listed as in or near Carthage or in Greek Italy to a woman taken to Carthage as a slave It is suggested that he lived in the territory of the Libyan tribe that the Romans called Afri near Carthage before being brought to Rome as a slave Probability suggests that it was there in North Africa several decades after the destruction of Carthage by the Romans in 146 BC at the end of the Punic Wars that Terence spent his early years One reliable fact is that he was sold to P Terentius Lucanus a Roman senator who had him educated and impressed by his literary talents freed him These writing talents were to ensure his legacy as a playwright down through the millennia His comedies partially adapted from Greek plays of the late phases of Attic Comedy were performed for the first time around 170 160 BC All six of the plays he has known to have written have survived Indeed thanks to his simple conversational Latin which was both entertaining and direct Terence s works were heavily used by monasteries and convents during the Middle Ages and The Renaissance Scribes often learned Latin through the copious copying of Terence s texts Priests and nuns often learned to speak Latin through re enactment of Terence s plays Although his plays often dealt with pagan material the quality and distinction of his language promoted the copying and preserving of his text by the church This preservation enabled his work to influence a wide spectrum of later Western drama When he was 25 or 35 depending on which year of birth you ascribe too Terence travelled to Greece but never returned It has long been assumed that he died at some point during the journey Of his own family nothing is known except that he fathered a daughter and left a small but valuable estate just outside Rome His most famous quotation reads Homo sum humani nihil a me alienum puto or I am human and I think nothing human is alien to me
