The Monks Before Christ John Edgar Johnson,2015-08-09 Excerpt from *The Monks Before Christ Their Spirit and Their History* If there is a book in the world which accomplishes just what has been attempted in the following pages I am ignorant of its existence I was led to this study by a profound love and admiration for the monks and I have felt at times the working of their spirit and longed to be one of their number If then it be thought that I have dealt with them too severely let it be remembered that I am passing judgment upon myself It was my fortune to reside for several months at the Catholic University of Munich in Bavaria where I came in contact with members of the Order of Saint Benedict and shall always remember that season as one of the most profitable in my religious experience About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works MONKS BEFORE CHRIST
